

St. John Neumann Altar Server Schedule
July 12, 2010 to September 5, 2010

SNEAKERS & FLIP FLOPs may not be worn altar serving.

Please arrive 15 minutes before mass is scheduled to begin. This allows time to set up for the mass and get dressed.

A posted altar server schedule is located in the Sacristy. Please initial the schedule when you arrive to serve your mass. If you are a replacement server, then cross out the name of the original server and write your name above it.

If you attend a mass where one of the scheduled servers did not show, please volunteer your services to serve the mass.

If you are not able to serve a mass for which you are scheduled, please find a replacement. If you are a replacement server, please take the responsibility seriously. Not showing for someone else's mass places the responsibility on the original server.

Funerals are included in this schedule. If you are scheduled, MaryAnn in the rectory will call you and let you know what funerals are scheduled for that week. Be ready to serve at a days notice. If you find a replacement for your funerals, let Mary Ann know so she can call them. The rectory # is 610-525-3100.
