

Ways to Support SJN Partnership with Persons with Disabilities

→ Pray

Prayer is appreciated and needed. Pray for our ministry, for our children with disabilities, for our parents of children with disabilities, and for other persons with disabilities in our parish and living in our communities.

→ Share information and news

Let others know about what we are doing. Forward an email with information, share a post on Facebook, or tell someone you meet about our ministry.

→ Be aware of persons with disabilities

and their families in our communities, in your work setting, and elsewhere. Each of us taking an extra moment to give someone a warm greeting, to hold a door open, or to listen to someone’s story as we go about our day is also ministry to others.

→ Extending a greeting

to our parishioners and visitors with special needs is helping to build a strong sense of inclusive community at St. John Neumann. Consider that a kind smile is something that a parent of a child with special needs has been desperately hoping to receive at Mass.

→ Thank our supporters

We have been blessed with so much support from many people in our parish, like Camille Morrison (DRE/PREP), Clare Fissora (Parish Services Director), Deacon Kevin and Monsignor Matz. Expressing your gratitude directly to them is so helpful because they have been essential for accomplishing our goals.

→ Invite a friend or neighbor

living with a disability. Look beyond those you see coming to our Mass regularly and invite them to SJN! Some people will say no, but others are just waiting to be invited!
