Disciple Maker Index SURVEY

SHARE YOUR PERSPECTIVES AND HELP US UNDERSTAND HOW WE'RE DOING!

The first step involves assessing our greatest strengths and opportunities. The Disciple Maker Index (DMI) survey is a tool that invites you to reflect on your discipleship journey here at SJN Parish.

The online survey can be accessed by scanning the QR code or find paper surveys at the church doors.

This 10–15-minute survey will ask you to reflect on your own spiritual growth. It will also enable you to provide your perspective on our parish's efforts to help you grow in relationship with Christ.

All responses will be confidential, and the parish will only receive information about the community as a whole.

STATIONS OF THE CROSS— A PILGRIMAGE: FRIDAYS AT 5:30 PM (less than 30 mins)

See our pamphlet on the fourteen Stations together with insights from Pope Francis on the fruits of praying and meditating on them. [CLICK HERE](#) or scan the QR Code—they are available at the doors of the church.

We invite you to step away from your daily routine and connect with Jesus through a prayerful journey on his way of the cross.

Pat is really trying to make the most of this Lenten season. He has been faithful to going to Mass and receiving the Sacraments for

several years now. But before this he had been really tepid about his faith. He would go to Mass when he could, but if other things got in the way, or he was just too tired, he figured to himself, "God won't mind, he understands...". It certainly wasn't a priority to him. All that changed, though, when he was in a pretty serious car accident which was the result of his drinking and driving. The fall out from that experience was pretty scary, and he knew he needed to get himself back on the right path. Pat can say for certain now that his faith is the thing that's keeping him together.

So, one of the things that he is making a priority this Lent is being faithful to a time for prayer each day. Now he knows enough to work with a manageable amount of time. A priest said that to him one time in confession: Don't say you're going to pray for an hour every day if you know that will be "mission impossible." Start with something that you think is doable and allow the Lord to give you the grace to grow from there. But this time is not to be spent just "saying" prayers, but also being quiet and allowing God to speak to *him*. So there needs to be some quiet time in what is usually a hectic day. Yet there lies the problem, or at least the question. *How do I listen to God?* When I'm finished with what I have to say, then what? Is that supposed to be the end of the "session"?

There actually were times that Pat thought God *was* speaking to him. Maybe it was through a passage of Scripture he read, or perhaps it was something that another person said to him that really hit home. Or there were even times that he thought Jesus was speaking to him—almost whispering in his ear. Words like, "I

will protect you", or "I am taking care of this", or "There's no need to be afraid." There were even times when the circumstances around him suggested that God *was* answering his prayers.

When these kinds of things happened, Pat would ask himself: *"Is this real? Or is this just me making this stuff up? Is it just a coincidence?"* He spoke to his spiritual director about it and the director said, "I think God is beating you over the head trying to show you that He's listening. What more do you want?" Then he sort of smiled at Pat and said, "O you of little faith."

I think this applies to many of us too! We say we believe, but do we really? What must Abraham have been thinking when he first heard God's promise of descendants as numerous as the stars! Yet, as things began to unfold in his life, he began to see that what God was telling him *was true—was real!*

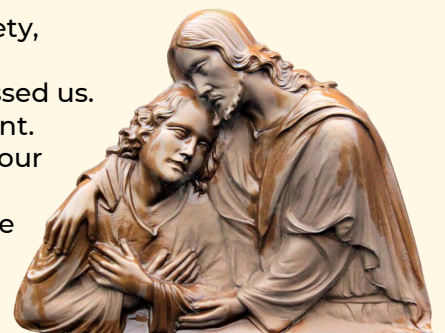

I think that happens to us as well. We are slow to believe, but as we see things play out in our life, we start to see things differently. And like the character in the story I told you, we have to go through struggles to be convinced, first of all, that we really need God in our life, and, secondly, that all the other things we tried to make us happy, were an illusion.

The story of Abram (Abraham) is the unfolding story of the *covenant* that God makes with his people—the covenant that he makes with all of us through Christ. God is asking us to stand with him through good times and bad times—to stay faithful even when things look dark and bleak. For God will make all things work out for good for those who love him. Prayer is so important for us to be able to do our part. Covenant is about relationship, and we the best way to have a relationship with the Lord is *to pray!*

Ask God for the desire to pray. Start now. Go along with God and no longer live a life empty of hope and trust!!

YOU ARE WITH US

God of Love,
You are with us in every transition and change,
as we enter into this new era with excitement and even some anxiety,
we recall your deep compassion, presence, and abounding love.
We thank you for the gifts, talents and skills with which you have blessed us.
We thank you for the experiences that have brought us to this moment.
We thank you for the work of others that gives breadth and depth to our
own work.
Be with us as we move forward, rejoicing with you and supporting one
another.
We ask this in your Holy Name.
Amen.

Last weekend we launched our *Celebrating Our Faith, Embracing Our Future* campaign! We had a lot of fun meeting with everyone after Mass and sharing the extra-large renderings and photos of the renovation plans for the church & school. Both projects seek to position our parish for the *next* 60 years and beyond! The feedback was tremendous!! For those who missed the event, please stop by the Gathering Room after Mass to take a look at the renderings and photos.

Our Campaign webpage is live!

The *Celebrating Our Faith, Embracing Our Future* campaign is now underway, and the generosity of our St. John Neumann Parish community is clearly apparent.

We would like to express our thanks to the volunteers who have worked so diligently to get us to this point and to the donors who have given so generously in the early stages of our campaign. While there is much to celebrate, there is also much work to be done.

In the coming weeks, volunteers will be reaching out individually to members of our parish and school, please keep in mind the following:

◆ **Volunteers – Dual Donation**

The volunteers who are contacting families are just that – volunteers. They have graciously agreed to donate their time and talent for the betterment of St. John Neumann Parish. They are serving in this role because they believe in our parish and are passionate about its future. Please treat them with respect and thank them for helping us in this important capacity.

◆ **Carrying Card? Return It!**

If you received a pledge card inside your packet of materials, please discern your involvement in the campaign, fill out the card and return it in the envelope provided.

◆ **Your Gift Matters!**

Remember, the letter you received from Monsignor Matz includes a financial request. It is not an *expectation*. It is an *invitation*. We invite you to pray about this campaign and our community. You may not be able to give what was asked. You may be able to give more than asked. Whatever that decision is, know that your commitment is deeply appreciated and a true blessing to our parish!

Thank you for your cooperation, your consideration and your support of St. John Neumann Parish!

A Bible Study on the Annunciation

In this video, Dr. Ben Akers leads us through a brief study of Luke 1:26-38, highlighting some of the key Old Testament passages evoked by Gabriel's words. The reflection concludes with some thoughts on how we can imitate Mary's Yes in our own life, especially in this time of suffering.

Join Dr. Ben Akers and Taylor Kemp as they discuss the spiritual and theological significance of the Annunciation over a piece of Sacred Art by Elizabeth Zelasko that depicts this incredible scene.

SPECIAL BLOOD DRIVE! NAOMI'S NINJAS

Each year this mother-daughter duo holds a Blood Drive in thanks for the support they received at the time of the daughter, Naomi's, illness.

In 2019, three-year-old Naomi was diagnosed with leukemia, one month before her 4th birthday. Doctors immediately gave Naomi a blood transfusion. It was the first of 20 blood transfusions she would receive over her two year cancer fight. Three years ago, Naomi hosted her 1st blood drive as a way to honor her fight and to help cancer patients who are still battling. Today, Naomi is a thriving 10 year old who loves writing poetry and playing soccer. It would not have been possible without the donors who gave selflessly. *You can have the same impact for someone else.*

St. John Neumann Church is happy to help Naomi's cause!

5 Ways St. Joseph Was Also A Regular Dad

1- HE WAS THE EVERYDAY PROVIDER

As a skilled carpenter, St. Joseph worked hard to put food on the table and provide a stable home for Mary and Jesus. Whether he was crafting furniture or repairing structures, his diligent work ensured that the Holy Family had what they needed. His commitment to a trade reminds us that being a good provider is about dedication and practical work — even in the midst of life's challenges.

2- HE PROTECTED HIS FAMILY

Joseph wasn't just a provider; he was a guardian. When danger loomed — from the threat of Herod's decree to the perils of travel in ancient times — Joseph stepped up to protect Mary and Jesus. His decisive actions, like following divine guidance to flee to Egypt, show that sometimes the simplest acts of care are the most heroic. In many ways, his protective instinct is the same one we see in dads who put their family's safety first every day.

3- HE TAUGHT BY EXAMPLE

Though the Gospels don't show him speaking, St. Joseph's life speaks volumes. He led by example — demonstrating integrity, humility, and perseverance. By working diligently in his trade and living out his responsibilities without fanfare, he quietly taught Jesus the values of hard work and honest living. In our daily lives, Joseph reminds us that actions often speak louder than words.

4- HE SUPPORTED AND LISTENED

Joseph's support for Mary during uncertain times — accepting her despite the challenges of a miraculous conception — highlights his role as a dependable partner. He listened to divine guidance and acted on it without hesitation, showing that true love and support sometimes mean stepping into the unknown with courage. This down-to-earth quality makes him a model for modern dads who strive to be partners and protectors in their families.

5- HE LIVED HUMBLY AND AUTHENTICALLY

Above all, St. Joseph's quiet humility and authenticity make him relatable. He didn't seek glory for himself but worked steadily in the background, caring for his family in practical, everyday ways. His simple, honest life reminds us that greatness often comes in the form of everyday devotion and that the small, loving acts of a parent can have a lasting impact.
