

CELEBRATING OUR FAITH, *Embracing our Future*

EXCITING DONOR OPPORTUNITIES!

We are excited to present **three opportunities** to maximize your gift and facilitate reaching the goals of our *Celebrating our Faith, Embracing Our Future* campaign, please read below for more information.

1

MATCHING GIFT CHALLENGE

A donor who is inspired and excited about our *Celebrating Our Faith, Embracing Our Future* campaign is challenging the parish to help us reach our goals.

A \$1,000,000 gift matching opportunity has been offered for the campaign! Pledges* received will be increased by 50% until we reach the \$1,000,000 challenge.

For every \$1.00 pledged, a matching gift of \$0.50 will be made to the campaign, allowing your gift to have an even greater impact!

If you have already made your pledge and can give more, you can take advantage of this great opportunity by contacting the Parish Office and increasing your gift. If you made a three-year commitment and are willing to add a fourth year to your pledge, this too will qualify for the match.

**Applies to new pledges received beginning Saturday, April 5, 2025; Naming opportunities are not included in the matching challenge.*
